FOLDABLE
AND SUPER
COMPACT

CHAMPION

Explore the Küschall Champion, our original and first folding, open frame designed wheelchair. Precisely engineered with a more robust hybrid folding mechanism for an advanced drive when engaged. Simple to fold and disengage in one smooth motion making for easier travel and storage.

ROBUST
DESIGN

AN ORIGINAL

Designed with passion and love, the Küschall Champion is like no other. Leading in innovation and with continuous developments to give you a chair that has stood the test of time for a reliable drive every time.

SUPER
COMPACT

Easy to handle for transporting and storage with the one step folding mechanism, folding backrest and quick release rear wheels. Upgrade to the Swiss Knife ‘SK’ version with a folding front frame to create a super compact Champion.

Küschall Champion SK

A BORN ***CHAMPION***

Focused on functionality and performance, the Küschall champion is the perfect combination. Advanced hydroformed technology and an innovative folding mechanism, gives a more rigid frame for an energy efficient drive.

INTRODUCING
CHAMPION CARBON

Light when it matters. Strong when it counts. The Champion in carbon enhances portability without compromising performance. The increased resistance improves responsiveness, while the extra lightweight frame supports easier lifting, folding and transport. Look and feel confident with the beauty of carbon.
